<p>Tiered Pricing: Our goal is to provide high-quality, fair market access to all participants: our vendors, community & visitors. Fresh Food & Produce Vendors represent the core goal of our market initiative and mission. Additionally, they carry the highest financial risk due to the perishable nature of their products, thus we offer participation at a reduced, subsidized rate (self-select/honor system range from \$200♥-300 for the full season.)</p> <p>Other vendors may choose from options ranging from \$30♥-40/day (full or half season), or \$45-55/day (range for single markets.) WE WILL PROVIDE & INSTALL ALL TENTS!!!</p>			

BASIC RULES AND EXPECTATIONS

VENDORS:

Compliance with regulations: Vendors are fully responsible for knowing and complying with any and all regulations that apply to their participation in a market and the sale of their products. Vendors are also strongly advised to procure adequate insurance protection.

Attendance: A market with empty booths is a very sad market... plus, a missing vendor could be taking an opportunity away from other vendors who might have liked to join us. Therefore, seasonal vendors may not skip market days and any no-shows will be very much frowned upon!! If a vendor will miss a day due to an emergency, the vendor must notify market manager as soon as feasible. (Participation fees are NON-REFUNDABLE.)

Pack in, pack out: Vendors must remove all decoration, stock and personal items from the premises at the end of each market day (tents must be kept clean/empty when not in use.)

HOST:

Vendors will be assigned a clean booth area [on grass] **pre-fitted with a 10' x 10' tent.**

Port-a-potties and trash bins will be available to the vendors and visiting public.

We aim to support the market's success through active and engaging community prompts via social media and printed material. Visitor attractions will include live music and food for sale/consumption at all markets, plus an opportunity to join us on a guided farm tour!!
